SEA FOOD
by WHITE N BLACK

We believe that freshness is the ultimate luxury.
Every selection of seafood is taken directly from our exclusive live aquariums,
then crafted with precision by our experienced chefs.
The result is an elegant dish with authentic ocean flavours and unmistakable character.

Within the White N Black family, you'll find distinct concepts, each with its own soul, character, and purposes. We are a multi-concept hospitality brand built on one simple belief: every moment deserves a fitting place, and every guest deserves to feel welcomed, seen, and cared for.

From comforting heritage flavours that feel like home, to modern Western dining crafted with quality and warmth, to relaxed, choose-your-own experiences made for sharing, every concept is designed to match different moods, different people, and different chapters of life. Beyond the table, some of our experiences invite you outdoors, where laughter rides on the breeze and memories are made in motion.

Across every concept, our promise remains the same: consistent quality, heartfelt service, and thoughtful details in everything we do, from the ingredients we choose, to the way each dish is prepared, to the ambience that completes your visit.

Because to us, food is never only about being full. It is about togetherness, celebration, comfort, and connection. It is about slowing down, reconnecting, and turning an ordinary day into a story worth remembering.

Welcome to White N Black Group, a family of concepts created with heart, built for moments, and remembered through flavour.

Assalamualaikum

Welcome to

White N Black Group

a space born from a dream, nurtured with heart.

I am Mohd Firdaus bin Jamaluddin, founder of White N Black. Many ask: why White N Black? The answer lies in the story of our beginning. White N Black was first born in Kuantan, Pahang, and to win the hearts of the Pahang community, we chose a name close to their soul. This name was inspired by the colours of the Pahang state flag: black and white. To us, these are not merely colours. They are symbols of unwavering identity, the courage to dream, and a promise to remain true to quality. White N Black was built as a multi-concept hospitality family, because we believe: every soul enjoys life in their own way. Some long for the taste of heritage that stirs nostalgia, others seek modern cuisine crafted with meticulous care. Some come to share laughter with loved ones, while others simply wish to pause for a moment, take a breath, calm their minds, and weave memories. Whatever brings you here, our promise remains steadfast: uncompromising quality, service born from the heart, and attention to every small detail, from carefully selected ingredients, to dishes perfected with dedication, to an ambience that embraces every moment of your presence. Thank you for choosing White N Black. Enjoy your meal, and may every bite become a story you wish to revisit.

Building Malaysia's Most Trusted Multi-Concept Restaurant Brand.

Mohd Firdaus bin Jamaluddin
Founder of White N Black Group

Warm greetings.

My name is Muhammad 'Adib bin Zakaria, Executive Chef at White N Black. To me, cooking is never just a recipe it is a craft that brings people together, and an experience that makes every guest feel valued.

In our kitchen, every dish is guided by the same principles: quality, consistency, and honest flavour. We choose our ingredients carefully, respect the techniques that shape great food, and ensure every plate served carries the taste it was meant to have balanced, satisfying, and unforgettable.

As a chef, I believe truly great food doesn't need to be complicated. It needs to be sincere. Clear in flavour, thoughtful in execution, and memorable in the way it makes you feel. That is why we care about the details preparation, timing, temperature, and the final presentation that reaches your table.

Thank you for dining with us. I hope you enjoy every bite, and may your day feel a little brighter through the food we prepare with heart. Enjoy your meal.

Muhammad Adib bin Zakaria
